

# Different Drum Sailing Adventures

Join us for a 3-day weekend trip to historic St. Mary's City, Maryland!

## Destination

Looking for a weekend getaway to renew and spend time with friends? Join us aboard the sailing vessel **Boundless** for this unforgettable 2-night/3-day sailing adventure!

## Itinerary

**Friday:** You will meet Capt. Jeff and be welcomed aboard **Boundless** at the Coan River Marina in Virginia's Northern Neck. After a brief safety and itinerary talk, we will depart for a secluded anchorage to enjoy dinner while watching the sunset and waiting for the stars to appear.

**Saturday:** After an incredible breakfast, we'll set sail for St. Mary's City, a three to four hour trip, watching for seabirds and dolphins along the way. Anchoring at St. Mary's, we'll dinghy ashore to spend the day touring this historic, outdoor museum, interacting with its inhabitants clothed in period costume! Dinner may be on board or a short sail away at a waterfront, seafood restaurant, crew's choice!

**Sunday:** After a good night's sleep followed by waking up to coffee and breakfast, we will up anchor to make our return sail back to the Coan River Marina.

Our historic St. Mary's trips are available during the spring & fall.

Or, join us for our 5-day Maine trips each summer!
